Y3S1 BSc Negotiated Dev. Placement Project Self-Submission Assessment Sheet

Student Name __Ben Goodwin__   **Student No.** __1507621__   **Date** __03/01/19__

	1		2.1		2.2		3		F	
	Demonstrates independent interpretation of the task and the use of a full range of relevant sources, using analysis to explain & evaluate outcomes	Practice is shaped by autonomous learning that demonstrates the relationships between knowledge & analysis derived from different contexts.	Demonstrates good comprehension of the task and synthesises learning from a range of sources	Practice is informed by evaluation and interpretation showing professionalism, ethical & ongoing personal development.	The work demonstrates relevance to the task and provides a range of responses to it.	The work is sequential and free-standing, providing a clear, evaluated and generally coherent account	Demonstrates basic relevance to the task, but provides a limited range of responses to it.	Practice is safe and abides by an externally set codes and rules	Demonstrates restricted relevance to the task, and provides few responses to it	Practice is unstructured and is not clearly communicated
1. A detailed knowledge and critical understanding of their design practice in relation to the development of interactive products as well as the component disciplines		X								
2. The ability to undertake a detailed critical analysis both the interpretation and setting of specifications or other briefs		X								
3. The ability to identify and select appropriate approaches, technologies, mark-up, scripting or programming languages, development environments and other tools with which to develop a product	X									
4. The ability to respond creatively and to develop detailed, sophisticated technical solutions to a specification for interactive products set by a design or brief within an area of specialism		X								
5. An ability to raise issues and to clarify requirements in response to a specification or brief in relation to technical or platform standards in order to offer sophisticated solutions for a product's development		X								
6. The ability to thoroughly test and debug their work efficiently and effectively including an understanding of what factors may affect test results such as equipment, environment and the clarity of task instructions			X							
7. The ability to apply the methods and techniques that they have learned to review, consolidate, extend and apply their knowledge and understanding, and to initiate and carry out projects		X								

Y3S1 BSc Negotiated Production Task 1 Self-Assessment Cover Sheet

Student Name <u>Ben Goodwin</u>   **Student No.** <u>1507621</u>   **Date** <u>03/01/19</u>

Please use the space below to identify which part of your submission is the key evidence that you have met the assessment criteria. More than one element of your submission may be evidence for each criterion. You should include this checklist as the coversheet for your submission. *(Please delete the examples below before entering your own)*

Submission Format	Evidence of meeting the assessment criteria				
For Example:					
Presentation	1	3	5		
Reflective Process report	*1*	*2*			
Professional Portfolio	*4*	*6*			
Development portfolio	*5*	*7*			

You may submit a brief commentary below to guide the examiner through your submission.

My submissions will all be available via my portfolio and the submission link. The site is due to be released on the 03/01/19 and the app will be available to view as a prototype via my portfolio. As well as this my reflective process report may shed some on my progress throughout the semester.
